The question of the Living Lord to the End-Time Church is:

“Where is the Fire?”

Jesus Christ said this about the characteristic of the end-times: “The love of many will grow cold.” If there is any relationship that deserves our careful attention and constant nurture, it is the relationship we have with our Savior.

Throughout our Bible there is an incendiary imagery that describes the passion that should exist between believer and Lord. The earliest supernatural symbol of the church is “tongues of

fire” that fell on the disciples as they testified about the greatness of their God. Paul told Timothy, “Fan into flame the gift of God, which is in you . . . for God did not give us a spirit of

fear, but a spirit of power, of love and a sound mind.” And in the Book of Hebrews we are reminded, “Our God is a consuming fire.” It is our hope that you join us for A Date with Destiny - Jackson 2007 and fan the flames of your personal spiritual life. We will experience soul-stirring worship and powerful prophetic preaching from some of God’s special servants. You will have the opportunity to fellowship with other believers and find encouragement in your spiritual walk.

I hope you will mark your calendar now for A Date with Destiny!
